

## **Attention Parents / Guardians:**

If you are receiving negative balance letters, and you HAVE NOT yet filled out a Free / reduced meal application, **PLEASE do it now**

It's never too late to fill out an application and even if you think your kids may not qualify, you have nothing to lose to try.

Need help? Give a call or stop in I'll be happy to help you do this.  
**Please remind your kids that ala carte charging is not allowed**

Thanks
