

Whitehall Central School Athletics Joins ScheduleGalaxy

ScheduleGalaxy is now the provider for the Whitehall Central School District for their athletics program web-based scheduling system. ScheduleGalaxy enhances both the scheduling process and public access to contest information. ScheduleGalaxy provides:

- Quick public access to team schedules, free from commercial advertisement
- Ability to receive email alerts for any schedule changes or push notifications from our App
- Directions to contests from your current location to the exact game location via Google maps
- View schedules, directions and schedule changes from either your computer or from the ScheduleGalaxy App

To access a team schedule, click on the ScheduleGalaxy link on our website. Create an account by Clicking on “Register” on the upper right hand corner of the page and follow registration instructions. You will be immediately directed to the homepage which has a calendar of all athletic contests. You can also choose the sport and team you’re looking for from the Quick Toggle menu at the top left of the homepage. Click on the sport and then click on the team to view their schedule. There, you will be able to subscribe to email alerts or push notifications from our App for any schedule changes for that specific team. Click on a specific contest on either the schedule list or the calendar and both Google map location and driving directions from your current location are readily available. We are pleased for our athletics program and community to have the opportunity to join ScheduleGalaxy in providing this enhanced sports scheduling and public information system.
